Kent State University, Kent, Ohio

LETTER OF COMMENDATION

To
Adnan Mohamed

The Division of Information Technology wishes to recognize Adnan for his outstanding dedication to duty during the global COVID-19 pandemic. In volunteering to stay on campus, Adnan showed commitment to the success of the division's efforts to shift our physical campus to a remote working environment.

Adnan also volunteered extra time and effort to make this transition possible and has continued to provide one-on-one desktop support to the university while continuing his studies during this time of uncertainty.

Adnan's contributions to our Service Management's team cannot be overstated. His tireless effort built a culture of positivity and camaraderie for his entire team. It is with great pride that I commend Adnan Mohamed for upholding the finest traditions of Kent State University in a crisis, proving that even in trying times, Flashes take care of Flashes!

With sincere appreciation,
